DESCRIPTION

You are invited to join a select group of leading employers and their partners who are interested in exploring the lessons and opportunities afforded through employer-based asset-building initiatives. In conjunction with our 2008 Assets Learning Conference, CFED is convening a Business Roundtable on Thursday, September 11 from 2:00 – 5:00 pm at the Hyatt Regency Crystal City, Washington, DC.

Employer-based asset-building encourages employees to build assets through homes, education, retirement and other savings opportunities. Featured strategies include: emergency payroll loans, auto-enrollment 401(k)s, broad-based employee stock options, financial education and savings tools.
